

# BLP Pillars to deliver effective teaching in GEOGRAPHY

A. What elements should we see in your SUBJECT departmental meeting with a focus on adapting teaching?

- Scaffolding / structure strips, particularly for extended writing Qs.
- Attention to support with data analysis / distribution / other skill questions.
- MA40LLs eg fieldwork & pre-release to support students
- Deliberate practice / modelled

## Pillar 4 : Adaptive Teaching

Demonstrating modelling to show how the thought process can be clearly explained.

Lesson with

QA of model answers / sharing best practice.

C. A Subject Leader can support a colleague further by...

B. How can a culture of curriculum team conversations regarding this pillar be developed and strengthened further?

- Sharing MA40LLs / collaborative planning is particularly during the pre-release.
- Agenda item in department meeting.

Both lessons

Pupil voice - do students feel supported / know what how to tackle more challenging questions.  
Lesson with

D. A Subject Leader can lead and check whether this is happening by...
