Compass

When you next take a Compass evaluation, you will see 4 new questions before you reach the Benchmark 1 section.

These questions will show whether you start a new evaluation, or update an existing evaluation. They will also show for Schools, Colleges and Special Schools.

Tracker

In Tracker, you can mark individual activities as cancelled and select the reason why. This information will also show if you export your Tracker plan into an excel.

You can do this for activities in previous years' plans, current year's plans and future year's plans. You can set planned or completed activities as cancelled, and use the preset reasons for cancellation or set your own.

Step 1 – Navigate to the Tracker plan that has activities you want to cancel, and go to your activities list. There is now the new column of "Cancelled"

Activity name	Start date	Finish date	School lead	Category	Industry Sectors	Benchmark	Completed	Cancelled
Work shadowing	02/09/2019	21/09/2019	-	SEND and vulnerable students		3	☐	☐
Careers in IT	02/09/2019	21/09/2019	-	Other		3	☒	☐
Careers in IT	03/09/2019	21/09/2019	-	Addressing stereotypes		3	☐	☐

Step 2 – Select the box in the Cancelled column and choose the reason for cancellation in the modal that appears. You can use one of the preset reasons, or add your own using the “Other” option. Then, select “Mark Cancelled”

Why was this activity cancelled?

Work shadowing

Please select the reason for cancelling this activity.

Budgetary reasons
COVID-19 impact
External partner cancellation
Lack of interest from students
Lack of parental consent
Logistical reasons i.e. event clash
School/college staffing issues
Timetable/exam clash

MARK AS CANCELLED

Step 3 – There will now be a checkbox in the Cancelled column next to that activity, and when you expand the activity information it will include the reason for the cancellation

Activity name	Start date	Finish date	School lead	Category	Industry Sectors	Benchmark	Completed	Cancelled
Work shadowing	02/09/2019	21/09/2019	-	SEND and vulnerable students		3	☐	☒
